

Blessed be our God!
Our Brother, **Antonio de la Torre**, has been called to an everlasting dwelling place with the saints, in the 83rd year of his age and the 65th year of his religious profession. He died 20 September 2007 in Madrid, Spain. Let us thank God for the gift of his life; let us thank Mary Our Mother for the gift of his perseverance. Together, let us pray that he may rest in the peace of Christ.
